

Ways to help me say... 'sw'

1. Show me (visual cues)

- Help me look in a mirror so I can see my mouth for both the 's' and 'w' sounds
- You model the sounds by repeating lots of words that contain the 'sw' sounds

2. Tell me these tips (verbal cues)

- "Remember to use your two sounds together."
(e.g. "s...w – sw")

3. Help me say my sound in:

- Beginning of words (e.g. swing, sweet)
- Phrases (e.g. the lolly is sweet)

4. Other tips which might help me:

- Initially separate the sounds and then combine them to help me say both sounds
(e.g. s...weet → sweet)
- Or try chaining it backwards
(e.g. wim → sssswim)

Please give me lots of **praise**.
e.g. "I heard you say both sounds!"

You can also praise me for good
sitting/listening/looking/trying e.g. "Good
trying"

**"I'm getting better at saying my 'sw'
cluster each time we practice
together!"**

Thanks so much for helping me!
