

Gold Coast Health

# Work-life balance by the beach

## We're looking for talented nurses and midwives to provide public healthcare and services in one of Australia's fastest growing regions.

Gold Coast Health delivers world-class healthcare to over 560,000 people in the Gold Coast and northern New South Wales region. We provide acute and sub-acute care in hospital and community settings, including state-of-the-art Gold Coast University Hospital, Robina Hospital, Varsity Lakes Day Hospital and Robina and Southport Health Precincts.

Our major facilities are strongly aligned and co-located with local and internationally recognised universities. Staff have the opportunity to contribute to an innovative environment where research and teaching is embedded within our workplace.

To provide the best patient care and to reflect the diversity of our community, we strongly encourage people with disability, Aboriginal and Torres Strait Islander peoples and culturally and linguistically diverse people to apply. Seize your opportunity to join our team of over 10,000 staff and 300 volunteers working across 40 facilities on the Gold Coast.

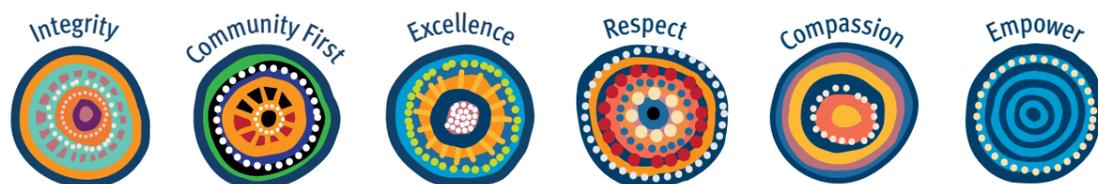

## Magnet recognition

We're proud to be Australia's first whole health service to receive Magnet Recognition for nursing and midwifery excellence and dedication to providing innovative, high-quality care. Our three hospitals, Gold Coast University Hospital, Robina Hospital and Varsity Lakes Day Hospital, and community centres are all part of the elite designation.

## Values

Gold Coast Hospital and Health Service is committed to its six guiding principles. These principles are at the core of all positions and articulate the behaviours that are required when working within the Health Service:

Whilst we implement our strategic objectives to be recognised as a centre of excellence for world class health care, our values provide the framework to focus our individual behaviours and performance outcomes.

## Lifestyle

Located in south-east Queensland, just one hour south of Brisbane, the Gold Coast region has 70 kilometres of world-famous uninterrupted coastline. Our city offers the opportunity to combine professional advancement, job satisfaction and relaxation into one fulfilling lifestyle.

Enjoy an ideal year-round climate, endless golden surfing beaches and 100,000 hectares of relaxing rainforest hinterland; it truly offers something for everyone.

The Gold Coast provides all the conveniences of living in a modern city including great restaurants, fantastic shopping and sophisticated style and attractions such as theme parks, wildlife adventures, arts, culture and much more.
