

Gold Coast Health Collaborative Research Grant Scheme

Collaborative Research Grant Scheme

2019 Recipient list

Introduction

The Office for Research Governance and Development are proud to announce the successful recipients of the 2019 Gold Coast Health Collaborative Research Grant Scheme. The Grant Scheme enables research that can improve the Gold Coast community's health and health care service delivery.

Ms Colette McCool, Board Member, presented each of the recipients with a certificate at the inaugural Gold Coast Health Research Forum, congratulating them on their success.
