Gold Coast Health and Partners Research Showcase Program

PRE-EVENT SESSION

Monday 7 November | Large Lecture Theatre, PED Building, Gold Coast University Hospital, Southport

[Register here for online attendance](#)

11.30 - 12.30pm **Emerging Researcher Alliance Panel Session:** “Journeys of emerging researchers conducting studies within a healthcare setting”

12.30 - 1pm **Networking lunch**
Sponsored by Gold Coast Hospital Foundation

Monday 7 November | Room 28, Ground Floor, PED Building, Gold Coast University Hospital

1 - 2.00pm **Emerging Researcher Alliance – Open House**

DAY ONE

Tuesday 8 November | Large Lecture Theatre, PED Building, Gold Coast University Hospital, Southport

DAY 1, Session 1

[Register here for online attendance](#)

9 - 9.15am **Welcome and Official Opening**

Prof Cindy Shannon AM
Board Member, Gold Coast Health Board; Chair of the Research Committee of the Board, Gold Coast Health; Pro Vice Chancellor (Indigenous) and Head of Logan Campus, Griffith University

9.15 - 11.45am **Gold Coast Health Collaborative Research Grant Scheme Presentations**

Gold Coast Health Collaborative Research Grant Scheme 2019 Funded Research Presentations:

1. “Achieving value-based care: Development of an integrated evaluation framework for assessing value of extended scope of practice models of care in allied health”. - **Ms Rumbidzai Mutsekwa** – Gold Coast Health/Griffith University, Food and Nutrition, Allied Health Research

2. “The implementation of an evidence-based approach for the management of uncomplicated alcohol intoxication in the emergency healthcare environment: A knowledge translation project”. - **Dr Jamie Ranse**, Assoc. Professor School of Nursing and Midwifery, Griffith University

Session Chair:
Prof Andrea Marshall
Professor of Intensive Care Nursing, Gold Coast Health and Griffith University

Award presenter:
Prof Cindy Shannon AM
GCH Board Member and Chair of the Research Committee of the Board, Gold Coast Health; Pro Vice Chancellor (Indigenous), Griffith University

Gold Coast Health Collaborative Research Grant Scheme Awards 2022 presentations

DAY ONE

Tuesday 8 November | Large Lecture Theatre, PED Building, Gold Coast University Hospital, Southport

11.45am - 1.30pm

PED Building, Ground floor foyer

Lunch

Sponsored by Southern Cross University

Poster display in the main foyer plus online poster gallery – voting open for best poster

DAY 1, Session 2

[Register here for online attendance](#)

1.30 - 3.00pm

Keynote presentation and panel discussion

“Leveraging data to improve patient care and the role of AI in the future of healthcare”

Session Chair and panel moderator:

Prof Julia Crilly, *Professor of Emergency Care Gold Coast Health / Griffith University*

Keynote presentation:

Dr Clair Sullivan, *Associate Professor of Medicine in Clinical Informatics at UQ and the inaugural Head of UQ's Digital Health Research Network, Clinical Informatics Director for Research at Metro North's Hospital and Health Service and Director of the Queensland Digital Health Centre*

Panel discussion members:

Dr Sabine Woerwag-Mehta, *Consultant Psychiatrist and Assoc. Professor for child and youth psychiatry, Gold Coast Health*

Prof Robert Ware, *Professor of Biostatistics, Griffith University, Menzies Health Institute Queensland*

Dr Lucy Shinner, *School of Health and Human Science, Southern Cross University*

Prof Steven Stern, *Professor of Data Science, Bond Business School, Bond University*

3 - 3.30pm

PED Building, Ground floor foyer

Afternoon Tea

Sponsored by Bond University

Poster display in the main foyer plus online poster gallery

DAY 1, Session 3

[Register here for online attendance](#)

3.30 - 4.45pm

Research Presentations – Group 1

Prof Julia Crilly, *Emergency Care / Defining global research priorities for emergency care: results of a scoping review and evidence mapping process*

Chair:

Dr Kylie Alcorn, *Director Infectious Diseases, Gold Coast Health*

Theme - COVID-19

A/Prof Laetitia Hattingh- *Evaluation of COVID-19 patients' medication management and safety at transition of care from hospital to a virtual model of care*

12.20 - 1.20pm

Lunch

PED Building, Ground floor foyer

Sponsored by Griffith University | Menzies Health Institute Queensland
Poster display in the main foyer online poster gallery – voting open for best poster

DAY 2, Session 6

[Register here for online attendance](#)

1.20 - 1.50pm

Lightning Talk Presentations – Group 2

Dr Paulina Stehlik – Medical Education / Findings from the ENHANCE survey: Medical specialty training research requirements may result in “poor quality unsupervised box ticking research”

Mrs Joanne Hilder – Medical Education / “Luck of the draw really”: Trainee doctors' experiences of completing mandatory scholarly projects in Australia

Dr Shamila Ginige – Public Health / Winter Respiratory Viruses Sentinel Surveillance Program

Chair:

Ms Trudy Teasdale, A/Director of Research, Gold Coast Health

DAY TWO

1.20 - 1.50pm	Lightning Talk Presentations – Group 2 (continued) Miss Laila Bar – Allied Health / Developing a suite of resources to improve patient adherence to compression stockings: Application of behaviour change theory Mr Samuel Smith – Pharmacy / Performance of elastomeric devices delivering outpatient parenteral antimicrobial therapy to patients on the hospital in the home service Dr Ishvar Nedunchezian – Orthopaedic Surgery / Antibiotic Prescribing Trends and Practises in Pyogenic Flexor Tenosynovitis Dr Marie-Laure Vial – Spinal Rehabilitation / Intensive long-term rehabilitation for people living with chronic spinal cord injury: a feasibility trial protocol Mr Rowan Pickering – Physiotherapy / Low back pain in the Emergency Department: trends, treatments and cost across the adult lifespan from an Australian health service.	Chair: Ms Trudy Teasdale, A/ <i>Director of Research, Gold Coast Health</i>
1.50 - 2.35pm	Research Presentations – Group 3 Ms Verity Mitchell and Danielle Gardner – Allied Health / Validated Patient-Reported Outcome Measures in Speech Pathology Adult Practice: A Scoping Review Dr Shelley Roberts – Allied Health / Prospective validation of the GLIM criteria for identifying malnutrition: A pilot study Dr Kelly Weir – Allied Health / “What are you hiding from me?” Exploring patient attitudes and experiences regarding patient-led recording of a hospital clinical encounter	Chair: Ms Trudy Teasdale, A/ <i>Director of Research, Gold Coast Health</i>
2.35 - 2.50pm	Research Recognition Awards	Chair: Dr Kellie Wren, Acting <i>Executive Director, Medical Services, Clinical Governance and Research</i> Award Presenter: Mr Ian Langdon, Board <i>Chair, Gold Coast Health</i>
2.50 - 3.00pm	Research Showcase Awards and Official Close <ul style="list-style-type: none">• Lightning Talk Awards• Poster Awards• Presentation Awards	Chair: Dr Kellie Wren, Acting <i>Executive Director, Medical Services, Clinical Governance and Research</i> Award Presenter: Mr Ron Calvert, Chief <i>Executive, Gold Coast Health</i>
3.00pm	Day 2 close	

CONCURRENT SESSION

Wednesday 9 November | GCUH, C Block, Level 2, Meeting Room 75

[Register here for online attendance](#)

11am - 1.00pm	Gold Coast Health Psychology department ‘ Research Day of Engagement ’ in association with Griffith University School of Psychology and Bond University School of Psychology The event aims to: <ul style="list-style-type: none">• Improve mutual awareness of research activities, interests and goals• Facilitate connections between clinicians from across HHS and University staff• Explore shared research priorities, areas of strength, funding opportunities, future plans The session will also include short presentations from Gold Coast Health, Griffith University and Bond University. (Catering provided)
