Get involved

How would you like to be involved? *(select all that apply)*

As a member of the Always Care Consumer Network – receiving information on special areas of interest and opportunities to be involved in special consumer projects.

As a member of the formal Consumer Advisory Group – involves committing to attending a two hour meeting every second month and being an active consumer for the health service.

Be informed – receive information such as newsletters

Special projects (time limited or one-off consumer engagement) – get involved in workshops, planning forums, and service improvement.

Online consultation – sign up to complete surveys to improve a variety of services and future planning

Review patient information – receive emails to review and provide feedback on draft patient information before it is published to help us improve the quality of our printed, and online patient information. For example, patient information when coming to hospital, fact sheets, and information for after hospital.

Other comments or notes for special interests as a consumer:

We may share your information and contact details to other teams within Gold Coast Health (GCH) for the purposes of facilitating consumer activities only.

I understand

I do not want you to share my details with other GCH staff. (You will only be contacted by the external engagement team only. Your details will not be provided to GCH teams conducting consumer consultation activities.)
